

Fire Burning

Joe Simon

Yeah... your love is hotter than fire
Feel my soul in the burning desire
One kiss won't put out the fire
The fire keeps burning higher and higher
Oh baby, it really do, I'd like to know now

Do you feel it, darling?
The fire burning, good God almighty
Tell me, do your heart beat out of beat?
When you yearn from the burn

The feeling in my heart is true
The blood in my vein running all for you
I need your love to see me through
Baby, you sure know what to do
Yeah (yeah), oh yeah, I got to keep on loving you

The fire keeps on burning, when I'm with you
I'd like to say it again, baby
The fire keeps on burning, when I'm with you, yeah
Mmm, mmm...

My love, your love, admire your love
It's fine, it's like a sweet taste in my mouth

It burns higher, higher, higher from your yearning
Oh, the fire keeps on burning
(The fire keeps on burning, when I'm with you)
When I'm with you, baby, oh, listen to me honey
(It burns higher, higher, higher from your yearning)
Oh, I tell you, this fire just won't go out, baby
(The fire keeps on burning, when I'm with you)
Your love is so strong... oh, keeps on, keeps on burning
(It burns higher, higher, higher from your yearning)
Listen to me, honey... I said the fire
(The fire keeps on burning, when I'm with you)
Keeps on burning
(It burns higher, higher, higher from your yearning)
Oh, higher, higher... keeps on burning

Let it burn... oh, kiss me, baby
I feel it... oh, kiss me, baby
I feel it, it's burning... the fire keeps on burning
