

## In My Baby's Arms

Joe Simon

Oh, it's raining all over the world  
But I know a place, where the sun is shining  
In my baby's arms (in my baby's arms)  
In my baby's arms (in my baby's arms)  
The sky is blue above  
From the warmth of her love  
Every night by her side  
My heart is filled with pride  
And I feel safe from all harm  
When I lay down in my baby's arms

Oh, the prices are rising  
They're rising all over the world  
But I know a place, I know a place I can forget about it  
In my baby's arms (in my baby's arms)  
In my baby's arms  
You see, I don't have to worry  
When I'm in my baby's arms  
There's no inflation in my baby's arms  
There's no recession in my baby's arms  
There's no depression, oh, in my baby's arms

Oh, the prices are rising

They're rising all over the world  
But I know a place, yeah  
I know a place I can forget about it  
I'm talkin' about in my baby's arms (in my baby's arms)  
I know I'm safe from all harm (in my baby's arms)  
'Cause ain't no recession (in my baby's arms)  
Ain't no recession in my baby's arms (in my baby's arms)

See, I ain't gonna let them politicians worry me, y'all  
(In my baby's arms)  
I'm just gonna lay down in my baby's arms  
(In my baby's arms)  
You see, I don't care about the rain, yeah  
(In my baby's arms)  
I'm gonna lay down in my baby's arms  
(In my baby's arms)  
I wanna make love all night long  
(In my baby's arms)  
Oh yes, I... see, I wanna make love to you, baby...  
(In my baby's arms)
