

Misty Blue

Joe Simon

Oh, its been such a long, long time,
Lyrics courtesy Top40db.
Looks like I'd get you off of my mind,
Oh, but I cant, just the thought of you,
Turns my whole world, misty blue.

Oh honey, just the mention of your name,
Turns the flicker to a flame,
Listen to me good baby
I think of things we used to do,
Then ah, my whole world turns misty blue.

Oh baby I should forget you,
Heaven knows I've tried,
Baby, and when I say that I'm glad were through.
Deep in my heart I know I've lied
I've lied, I've lied

Oh honey, it's been such a long, long time,
Looks like I'd get you off of my mind,
But I can't.
Baby I can't just the thought of you,
Then my whole world turns misty blue.

Oh honey, I can't just the thought of you,
my whole world turns misty blue.

Oh, I can't just the thought of you my love,
Oh; my whole world turns misty blue.
