

# Music in My Bones

Joe Simon

I want everybody to put your dancin' shoes on  
I want you to clap your hands right here  
I just want you to join in, and help me to sing a little bit  
The music in my bones, and I can't sit down  
Come on y'all, come on and  
(Music in my bones, and I can't sit down)  
Yeah, sing it one more time, if you don't mind  
(Music in my bones, and I can't sit down)

Oh, I'm trying so hard to make it to my seat  
(Music in my bones, and I can't sit down) ooh yeah  
But my body's shaking all over, and I'm groovin' with the beat now  
(Music in my bones, and I can't sit down) yes I am  
I feel good, I really feel good, baby  
I like the groove, and I like the blues  
I like music, that puts me in a mood  
Oh, excuse me while I do my thing, y'all  
Come on and... ooh yeah  
(Music in my bones, and I can't sit down)  
If you think you can outdo me, just step into the ring now  
(Music in my bones, and I can't sit down) ooh yeah

Come on, come on and do it, oh yeah  
The baddest thing, come on and get on the line  
Get set, and let's go; come on and, come on and do it  
Come on and, ohh... I'm really feeling good tonight, yes I am

I like the groove, and I like the blues  
I like music, that puts me in a mood  
Oh, it's so good, I'm just movin' up and down, y'all  
(Music in my bones, and I can't sit down) ooh yeah  
I'm having such a good time, I can't even sit down  
(Music in my bones, and I can't sit down) but that's alright  
(Music in my bones, and I can't sit down) ooh yeah

Just let me do my thing y'all, come on  
(Music in my bones, and I can't sit down)  
Come on and leave me alone  
(Music in my bones, and I can't sit down)  
Don't put your hand on me, just let me  
(Music in my bones, and I can't sit down)  
Do my thing - come on, Joe Simon, ha-ha!  
(Music in my bones, and I can't sit down)  
Come on boy, ohh...  
(Music in my bones, and I can't sit down)  
I gotta tell you something, you're lookin' good tonight, ah  
(Music in my bones, and I can't sit down)  
Oh, lookit here: I know y'all wondering about, ha ha  
(Music in my bones, and I can't sit down)  
I know you're wondering what I'm gonna say right here  
(Music in my bones, and I can't sit down)  
Oh yeah, you see dear sister, uh  
(Music in my bones, and I can't sit down)

Dear Ms. and Mr. Jones, y'all  
(Music in my bones, and I can't sit down)  
Doing their own thing tonight

(Music in my bones, and I can't sit down)

You see, something about a cat

(Music in my bones, and I can't sit down)

When he got the wrong woman

(Music in my bones, and I can't sit down) ooh yeah

He's sure movin', y'all [?]

(Music in my bones, and I can't sit down)

In other words, he moved cool

(Music in my bones, and I can't sit down)

If you know what I'm talkin' about

But I don't wanna put it on you

(Music in my bones, and I can't sit down)

And all I kinda, you sing, y'all... oh no

(Music in my bones, and I can't sit down)

You see, the music, ooh yeah

(Music in my bones, and I can't sit down)

This music is good to me, oh yes it is

(Music in my bones, and I can't sit down)

It make me wanna do wrong sometimes

(Music in my bones, and I can't sit down)

Oh yes, it does

(Music in my bones, and I can't sit down)

You see, music...

(Music in my bones, and I can't sit down)

Make you wanna do right sometimes, yes

(Music in my bones, and I can't sit down)

But let me tell you what I'm gonna do

(Music in my bones, and I can't sit down)

I'm gonna lay it down over this town

(Music in my bones, and I can't sit down)

I'm gonna start out doing the hustle

(Music in my bones, and I can't sit down)

I'm gonna move around

(Music in my bones, and I can't sit down)

The reason I'm gonna move around, uh!

(Music in my bones, and I can't sit down)

Is music won't let me sit down

(Music in my bones, and I can't sit down)

(Music in my bones, and I can't sit down)

(Music in my bones, and I can't sit down)

You see, the music, ooh yeah

(Music in my bones, and I can't sit down)

This music is good to me, oh yes it is

(Music in my bones, and I can't sit down)

It make me wanna do wrong sometimes

(Music in my bones, and I can't sit down)

Oh yes, it does

(Music in my bones, and I can't sit down)

You see, music...

(Music in my bones, and I can't sit down)

Make you wanna do right sometimes, yes

(Music in my bones, and I can't sit down)

But let me tell you what I'm gonna do

(Music in my bones, and I can't sit down)

I'm gonna dance...
