

# Before It's Too Late

Joe South

Come on everybody, let's get together  
Come on everybody, let's get together  
Come on everybody, let's get together  
Before it's too late  
Before it's too late

(Come on everybody, let's get together) Come on, come on, come on  
(Come on everybody, let's get together) Yeah, yeah  
(Come on everybody, let's get together) Be together  
(Before it's too late) Before it's too late, hey, hey  
(Before it's too late) Yeah, everybody let's get together  
(Before it's too late) Everybody's gettin' together  
(Before it's too late) Tell the truth  
(Before it's too late) Before it's too late  
(Before it's too late) Yeah, oh, oh, yeah  
(Before it's too late) Told the world it's gonna have a good day  
(Before it's too late) Before it's too late, baby  
(Before it's too late) Oh, oh, oh  
(Before it's too late) Before it's too late  
(Before it's too late) Come on, come on, come on, come on  
Come on, yeah

Before it's too late  
Before it's too late  
Before it's too late  
Before it's too late

(Hey, that's good right there)
