

# Devil May Care

Joe South

Devil may care  
That's my attitude they say  
Whoa-ho, when I carry on this way  
Like I never cared for you, mm-hmm

Devil may care  
Though my acting's got to be the worst, mm-hmm  
But when my bubble dreams all burst  
Yeah, then whatever will I do?  
I wanna know, whoa-ho

Who do I think I'm fooling  
Every time I wear this crazy disguise?  
How can I go on laughing  
When a tear dims this gleam in my eye?

That's known as devil may care  
How can I just grin and bear, whoa-ho  
And just say devil may care, mm-hmm  
When my angel doesn't love me?  
Whoa ho, yeah, yeah

Who do I think I'm fooling  
Every time I wear this crazy disguise?  
How can I go on laughing  
When a tear dims this gleam in my eye?

Everybody calls devil may care  
How can I just grin and bear? mm-hmm  
And just say devil may care  
Whoa-ho, when my angel doesn't love me, yeah

Whoa-oh-oh-oh  
Yeah, devil may care  
Whoa-oh-oh-oh  
Devil may care  
Whoa-oh-oh-oh  
Devil may care
