

How Can I Unlove You

Joe South

How can I unsay the things I've said to you?
How can I undo the things that we used to do?
Tell me, how can I unfeel the way I feel for you?
How can I-I-I-I unlove you?

How can I untie the hold that you've got on me
When you won't unchain my heart and set me free?
You know, I can't unremember every memory
So how can I-I-I-I unlove you?

I'll never, never uncry
The tears that I cried when you said goodbye
No, I'll never, never unmiss
The thrill that I missed when we used to kiss, whoa

How can I unsay the things I've said to you?
How can I undo the things that we used to do?
Tell me, how can I unfeel the way I feel for you?
How can I-I-I-I unlove you? No
How can I-I-I-I unlove you? Whoa, no
How can I-I-I-I unlove you? Let it go
How can I-I-I-I unlove you? Whoa
