

Misunderstanding

Joe South

Name of this song is misunderstanding

Misunderstanding
No need to hang it up
One shaky landin'
Don't mean we're crackin' up
Misunderstanding is all that went wrong
Misunderstanding is the name of this song
Now (Misunderstanding) alright
(Misunderstanding)

I can't begin to see
Everythin' through your eyes
And the same thing holds true for me
Someday you'll realize
That your paranoia
Oh, can sure 'nuff destroy ya
And all the things that annoy ya
Lord, it is just misunderstanding

Everything I say, baby
And every little thing I do
Ain't nothin' more than a feeble little effort
To try to get through to you

Lord, it's just a misunderstanding
No need to hang it up
One shaky landin'
Don't mean we're crackin' up
Misunderstanding is all that went wrong
Misunderstanding is the name of this song
Ya'll, (Misunderstanding) whoa hoo ooh
(Misunderstanding)

Your mama raised you right
Now, she won't let you go
And God, she'd be uptight
If she knew how far we go
She thinks I'm abusin'
The one that she's losin'
Whoa, she's cussin' and accusin'
But Lord, it's a misunderstanding

You don't gimme a chance now
Come on, admit that it's true
It seems like you're tryin' to do it to me, child
Before I can do it to you

And yeah it's a misunderstanding
No need to hang it up
One shaky landin'
Oh, don't mean we're crackin' up
Misunderstanding is all that went wrong
Misunderstanding be the name of this song

Y'all misunderstanding
Na, na, na, no need to hang it up

One shaky landin'
Oh, don't mean we're crackin' up
Misunderstanding is all that went wrong, oh yeah

Misunderstanding
Misunderstanding
Misunderstanding
Misunderstanding

Woo
Misunderstanding
Misunderstanding
Misunderstanding
Misunderstanding
