

# Texas Ain't the Biggest Anymore

Joe South

Well, I was ridin' along way out west  
When I heard a mournful sound  
So I stopped my car and I got out  
Started a-lookin' around

I saw a little bitty cowboy  
Sittin' there havin' himself a cry  
When I asked him what in the world was wrong  
He said with a tear in his eye  
(Texas ain't the biggest anymore)

Texas ain't the biggest anymore  
(No, no, no)  
Texas ain't the biggest anymore  
(Boo, hoo, hoo)  
Everything was goin' great  
(Until they added another state)  
Now, Texas ain't the biggest anymore

(Ah, Texas, ain't it a shame?)

Now, things ain't the same in the Lone Star State  
Or the home on the range  
And think of all the songs about Texas  
That's gonna have to be changed

He said "They're laughin' at Texas  
Makin' up jokes and talkin' a lot of bull"  
Then he took off his little Stetson hat  
And sat there and cried a full  
(Texas ain't the biggest anymore)

Texas ain't the biggest anymore  
(No, no, no)  
Texas ain't the biggest anymore  
(Boo, hoo, hoo)  
Everything was goin' fine  
(Until they added number forty-nine)  
Now, Texas ain't the biggest anymore  
(No, no)

Hey there, got a map?
