

The Other Side Of Life

Joe South

But as you go to find yourself
Don't look too hard
You may pass yourself by
Reachin' too high
Wantin' the other side of life

And as you go to take your place
Don't go too fast
Just pretend that there's no end
Make yourself last
'Til the other side of life

One day you'll find
Your restless searchin' at an end
You'll think the world has changed
But it's just you, my friend

So as you go to please your heart
Please take your time
Someone's waitin' there, too
Waitin' for you
On the other side of life
Waitin' for you
On the other side of life
