

# Untie Me

Joe South

Not too long ago  
You said you'd love me 'til the end  
But lately you're indifferent  
And I can't even be your friend  
Oh, if I'm really such a bore  
And you don't want me anymore  
Release my heart  
So I can love again

Untie me (Untie me, untie me)  
Untie me, baby (Untie me, untie me)  
You're not ever there when I need you  
You don't care when I go or what I do  
So untie me (Untie me, untie me)

Mm, if you've found a new love  
I won't put the blame on you  
But just give me a chance  
To start my life anew  
Oh, if you really gonna go  
I wanna be the first to know  
So break these chains  
That bind my heart to you

Untie me (Untie me, untie me)  
Untie me, baby (Untie me, untie me)  
No, you're not ever there when I need you  
You don't care where I go or what I do

So untie me (Yeah-yeah, yeah, you, untie me)  
Untie me, baby (Yeah-yeah, yeah, you, untie me)  
You better untie me (Yeah-yeah, yeah, you, untie me)  
So, baby, come on (Yeah-yeah, yeah, you, untie me)  
And untie me (Yeah-yeah, yeah, you, untie me)  
Hey, hey (Yeah-yeah, yeah, you, untie me)  
Untie me, baby (Yeah-yeah, yeah, you, untie me)  
(Yeah-yeah, yeah, you, untie me)
