

## S.Y.S.L.J.F.M. (The Letter Song)

Joe Tex

Everybody has got somebody  
Yes, they do  
Alright  
An everybody's got their own way  
Of sayin', I love you  
Oh, yes they have

The sooner you say it  
The better it is  
The softer you whisper it  
The better it feels  
Just make sure  
That when you say it  
Be for real

Alright, let me hear you say it, now

S.Y.S.L.J.F.M.  
Save your sweet love just for me  
D.K.W.I.M.T.M.  
You don't know what it means to me  
D.E.T.Y.S.L.A  
Don't ever take your sweet love away  
I.C.L.M.L.T.W.  
I can't live my life that way  
(Woo-ooo!)  
Alright

'Tell them'

'Oh, if gramma could see me now'

'H'uh, H'uh, get on up there, now!'

(instrumental)

'Keep that beat goin', -

Alright

'I love this song, now listen'

Everybody, s'got somebody  
They love to talk about  
And I've got somebody

Everybody, got their own way  
Of unwindin' when they feel  
Down and out  
Oh yes, they have

The sooner you unwind  
The better it is  
The easiest way you do it  
The better you feel

Just make sure

That when you do it  
Be for real

Alright!

Listen!

Y.C.C. M.A.O.T  
You can call me any old time  
Alright  
T.C.A.H.Y.T.U.  
To come and help you to unwind

S.Y.S.L.J.F.M.  
Save your sweet love just for me  
D.K.W.I.M.T.M.  
Don't know what I means to me  
Yeah!  
D.E.T.Y.S.L.A.  
Don't ever take your sweet love away  
I.C.L.M.L.T.W.

FADES-

I can't live my life that way.
