

# Take the Fifth Amendment

Joe Tex

[Intro]

Oh!

Listen, heh

[Verse 1]

You got to see it and don't see

You got to hear and don't hear

You got to know and don't know, huh

And don't tell everybody where you go, huh

'Cause it's a miracle so far we haven't got caught

And I intend to keep it that way, huh

Because it's better to say "There he go"

Than to say "There he lay", ha-ha!

You know that, baby

Ooh

[Chorus]

You got to take the fifth ammendment

Take this book home and learn the fifth ammendment

You got to take the fifth ammendment

And refuse to answer on the grounds

It might tend to incriminate you and me

[Interlude]

Listen, baby

Let me say something else right here

[Verse 2]

We've got to take this thing step by step

We've got to go according to the law, ha

So if anybody ask you where you're goin'

Just say you got to see a man about a dog, baby

[Refrain]

We've got to take this thing step by step, baby

We've got to go according to the law

So if anybody ask you where you're goin'

Just say you got to see a man about a dog, baby

[Verse 3]

Listen, baby

If we ever get caught, heh

And we have to go to court

You're standin' there before the judge, huh

Listen to me tell you what to do, heh

Just tell him, huh

"I take the fifth ammendment"

Don't say another word, huh

Let me handle the prosecutin' attorney, baby

'Cause he's smart, huh

He'll try to pick ya, he'll try to trick ya, huh

Try to get you to say where you been, baby

[Outro]

But you got to take the fifth ammendment, baby, huh

We can't afford to get caught now, baby, huh

We got a good thing
