

# Fishbone

Joe Walsh

My baby got a fishbone stuck  
Down near where she swallers  
Can't talk louder than a whisper  
Usually she hollers

Fishbone (Fishbone)  
Got a fishbone stuck (Fishbone)

Might have been some grouper  
Might have been some trout  
Might have been some Dover sole  
But the damn thing won't come out

Fishbone (Fishbone)  
Got a fishbone stuck

Went to see the doctor to find out what she got  
Doctor said "It's a fishbone! I bet it hurts a lot."

She said, "Ain't there some procedure, doc?  
I'm crawling up a wall  
I can't eat, I can't sleep, I can't watch TV  
I can't have no fun at all."

Fishbone  
Got a fishbone stuck  
Fishbone  
Fishbone, bad luck

(Fishbone)

Might be some ol' rockfish  
Might be some wahoo  
Just might be some catfish  
Yeah, catfish have bones too

Fishbone can get nasty  
Fishbone ain't your friend  
Fishbone just won't go away  
No use to pretend

So if you're having seafood  
Chew each bite real slow  
You just might come across a fishbone  
Just might, you never know

Fishbone (Fishbone)  
Got a fishbone stuck (Fishbone)  
Yeah, fishbone (Fishbone)  
Got a fishbone, bad luck

Fishbone (Fishbone)  
Got a fishbone stuck (Fishbone)  
Yeah, fishbone (Fishbone)  
Got a fishbone, bad luck
