

# You've Got Me Crying Again

Joe Williams

You've got me crying, crying, crying, crying, crying  
You've got me crying again  
You've got me sighing again  
What is this love all about?

I'm in and I'm out  
Your kisses right from the start  
Came from your lips, not your heart  
You made me happy and then somebody new looks good to you

You got me crying again, just a crying for you  
You've got me crying again  
You've got me sighing again  
What is this love all about?

I'm in and I'm out  
Your kisses right from the start  
Came from your lips, not your heart  
You make me happy and then somebody new looks good to you  
You got me crying again, just crying for you
