

## Another Used to Be

Joe

I brought you here so that i can express the things i've been t  
hinkin bout give me your ear.  
cuz i don't normally do this so bare with me through this. ther  
e are so many things that i  
want to say. but let me start by saying this saying i thank you  
. darling just because..

i used to love someone that i didn't like we used to want to br  
eak up every other night. i  
used to think realationships were a lot of stress. i used to th  
ink that pain was a part of  
happiness. now all that's changed since you've come my way, but  
i don't want us to become  
another used to be.

I hope what i'm saying don't discourage you in any kind of way  
cuz i do believe that you have  
the potential to be everything i need. i hope that you can real  
ly understand that i would hate  
to be with someone new, and tell them what i'm telling you.

i used to love someone that i didn't like. we used to want to b  
reak up every other night. i  
used to think realationships were a lot of stress. i used to th  
ink that pain was a part of  
happiness. now all that's changed since you've come my way, but  
i don't want us to become  
another used to be.

cuz it would only be another waste of time, another moment to b  
e raised i would bout my  
mind. another memory a part of history. I cant forget cuz it ke  
eps haunting me. Now that your  
here is evidently clear, but i don't ever have to have this wor  
ry again again. ooohhhooooooo.

i used to love someone that i didn't like. we used to want to b  
reak up every other night. i  
used to think realationships were a lot of stress.i used to thi  
nk pain was a part of  
happiness. now all that's changed since you've come my way, but  
i don't want us to become  
another used to be.
