

Easy

Joe

Oh! I love how you lookin at me, got me so relaxed (so relaxed)
Oh! I love how your nails draw circles in the small of my back
(my back)

Baby! I love how we're connecting, it's more than I was expecti
ng

Baby Oh! Coz it's not always this simple, No!

Sometimes you gotta put in work (gotta put in work)
To make it work baby; Sometimes you gotta go all out (you get t
o go all out)

Just to get it right. Sometimes you gotta try (try)
But this ain't one of them nights; Coz you make love easy (you
make love easy)

Girl everything about us feel so natural (feels so natural)
And the way I'm sitting here ready, I'd never let you down (I d
on't know how much I love it)

It seems like we perfected the way that we be sexing; Baby Oh!
It's not always this simple... Sometimes!

Sometimes you gotta put in work (gotta put in work)
Just to make it work baby; Sometimes you gotta go all out (got
to go all out)

Just to get it right Oh! Sometimes you gotta try (try) Oh!
But this ain't one of them nights; Coz you make love easy (you
make love easy)

From the moment I touched you and I kissed you
I know... That you were sent from heaven
There was no need to be anything but me No!
There was no stress no pressure no problems, Baby!
Baby! You were sooo divine, I must confess that I can't get you
outta my mind
Since I've experienced true pleasure
I love that you know how to take control
You makin love easy; I wish that it always this simple but...

Sometimes you gotta put in work (gotta put in work)
To make it work Babyyy! Sometimes you gotta go all out (sometim
es you got go all out!)
To make it right Heyyy! Sometimes you gotta try (sometimes you
gotta try try try) but this ain't one of them nights.
You make love easy, You make love easy Oh Ah Ha!

Sometimes you gotta put in work, Nooooo! Just to make it work
Sometimes you gotta go all out (Sometimes you all out) To make
it right
Sometimes you gotta try try try but this ain't one of them nigh

ts Ey!

You make love easy (You make love easy) Ohhhhh! Whooooo! Eyyyyy
! Ohyyyy!
