

# Hello

Joe

Hello, it's me  
I was wondering if after all these years  
You'd like to meet, to go over everything  
They say that time's supposed to heal ya  
But I ain't done much healing  
Hello, can you hear me?  
I'm in California dreaming  
About who we used to be  
When we were younger and free  
I've forgotten how it felt  
Before the world fell at our feet  
There's such a difference between us  
And a million miles

Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry  
For everything that I've done  
But when I call, you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking your heart  
But it don't matter  
It clearly doesn't tear you apart anymore

Hello, how are you?  
It's so typical of me to talk about myself, I'm sorry  
I hope that you're well  
Did you ever make it out of that town  
Where nothing ever happened?  
It's no secret  
That the both of us are running out of time

So hello from the other side  
I must've called a thousand times  
To tell you I'm sorry  
For everything that I've done  
But when I call, you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking your heart  
But it don't matter  
It clearly doesn't tear you apart anymore

Oooooohh, anymore  
Oooooohh, anymore  
Oooooohh, anymore  
Anymore

Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry  
For everything that I've done  
But when I call, you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking your heart

But it don't matter  
It clearly doesn't tear you apart anymore
