

I'm Missing You

Joe

Yeah, yeah, yeah, yeah
Standing here looking out my window
My nights are long and my days are cold
Cuz I don't have you
How can I be so damn demanding?
I know you said that its over now
But I cant let go

Everyday I wanna pick up the phone
And tell you that you're everything, even more
If only I could find you

Like a cold summer afternoon
Like the snow coming down in june
Like a wedding without a groom
I'm missing you

I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you

Driving round, thought I saw you pass me
Rear view mirror playing tricks on me
Cuz you fade away
Maybe I'm just hallucinating
But my loneliness got the best of me
Cuz my hearts so weak

Everyday I wanna pick up the phone
And tell you that you're everything, even more
If only I could find you

Like a cold summer afternoon
Like the snow coming down in june
Like a wedding without a groom
I'm missing you

I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you

Like a cold summer afternoon
Like the snow coming down in june
Like a wedding without a groom
I'm missing you

I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you

Yeah, yeah, yeah, yeah
I miss you
