

# The Love Scene

Joe

Yeah  
Ooh...hoo...ooh...  
Well, well, well, well, well, baby  
Hoo...hoo...baby  
Mmm...hmm...mmm...mmm...  
Listen, baby

(Take one) Baby lyin' on the bed  
Exotic fantasies goin' through her head  
(Take two) I jump into my SL6  
I gotta make my way to the crib mad quick

(Take three) I see my baby as I step inside  
She's staring at me with those bedroom eyes  
(Take four) Honey sippin' on some Chardonnay  
The sex is even better when she's feeling that way

All I want to do right now is love her down (Ooh)  
I don't give a damn about who hears the sound (Ooh...)  
We'll be in the groove until the sun comes up (Yeah)  
Together we'll get lost inside the love

Let's make a love scene, steamy and blue  
Erotic memories for an audience of two  
And we'll make a love scene, let the foreplay begin  
And replay each moment again and again and again

(Take five) The Jacuzzi's just 'bout ready for us  
We step into the water and you tremble at my touch  
(Take six) I see you gettin' steamin' hot  
Girl, it ain't just the bubbles that's been hittin' the spot

Take it off, take it off, take it off till you get enough  
(Whoa...whoa...whoa...whoa...)  
Anyway that you like, it's okay, come and get my love  
(Whoa...oh...ho...ho...yea...)

All I want to do right now is love her down (Love her down)  
I don't give a damn about who hears the sound (Hears a sound)

Ooh, I'm gonna keep lovin', I'm gonna keep lovin' you, baby  
(When the curtain drops) Oh  
We won't stop (We won't stop), we won't stop (Whoa...oh...baby)

Girl, I'm down to take a sip from your cup (No, no, no, no, no, no, no)

If you drink from my fountain of love (Oh, ho)

If you drink from my fountain of love (Ooh...ooh...oh...ho...)

'69 was a very good year (Do you remember, girl)

If you know what I mean, my dear (Ooh, baby)
