Better Thing

Joeboy

Food for my table
Mula for my hand
If you no send when I no get before
No worry me I understand
Shebi olowo laye mo
Abi ki n mo fe so
Na who work wey go chop
Na wetin my papa talk

Remember just the other day
Nobody wan dey look my face
The Gbedu scatter the place
Na Baba God gimme the grace oh na
Na why I no dey complain
When bad belle dey
We dey jolly these days
But wetin my papa say be say

Who no like better thing
Who no like better thing oh no

Who no like better thing o ye ye ye ye
Who no like better thing

Wetin be the point
Why the boy dey hustle
Everything na by grace
No be by your muscle
Shebi olowo laye mo
Abi ki n mo fe so

Na who work wey go chop
Na wetin my papa talk
Ya ya ya ye

Wetin be the point
If I get kpa and I no settle my boys
If I dey okay and I no give mama joy
Na when you get the money dem go call you sure boy

Wetin be the point
If I get kpa and I no settle my boys
If I dey okay and I no give mama joy
Na when you get the money dem go call you sure boy

Remember just the other day
Nobody wan dey look my face
The Gbedu scatter the place
Na Baba God gimme the grace oh no
Na why I no dey complain
When bad belle Dey
We dey jolly these days
But wetin my papa say be say
Who no like better thing

Who no like better thing oh no
Who no like better thing o ye ye ye ye
