When you cry I go wipe your eyes  
Gimme your bag make I fill am with dough  
I'm the only one, you no need another  
I'll hold you down  
You know this, you notice, bebe  
And I've told you now  
I'm right here, I dey for you, bae

E no get anywhere wey I wan go  
If I could I would love you in my next life  
I don't really care about tomorrow  
As long as you dey right now I go dey fine  
You gat me high when I'm low low  
Shawty, you can take my soul  
All these things wey I dey talk right now  
I dey feel am for my body and bone, oh

Body and soul  
Body and soul

I love the way you put it on me  
That thing wey you dey do me e dey mad me

And I've told you now
