Nothing I dey hide o
You no go see wetin you dey find, o yah

I be fine, boy o
Many girl wey love me so
But na you I want o
If you no believe make you forget o
Ye, hmm

Omo na flirt I dey flirt, no dey vex, make you forgive me
If you still vex, I no send, I go flex you with ten milli
No go, dey judge me on top, wetin you see for blog o
I understand if you want to leave or you wan go

Yoruba boy, I don't cheat
But you tell me I belong to the streets
Shawty, put your mind at ease
Iwonikan ni mo want ti mo need o
Oh, you think that I'm too good to be true?
'Cause nobody can do you like I do
Stop complaining, I'll put you in the mood
Make we dey gum body mo ni super glue

Omo na flirt I dey flirt, no dey vex, make you forgive me
If you still vex, I no send, I go flex you with ten milli
No go, dey judge me on top, wetin you see for blog o

Leave or you wan go
If you want to leave or you wan go, ('Pon deck)
If you want to leave or you wan go
Wan go, wan go

If you want to leave or you wan go
If you want to leave or you wan go
If you want to leave or you wan go, o my God
