

Uh-huh uhh uhh

(If you gimme I go collect I no go enter)

Your way e no too straight, contour

Contour

No dey carry me play Odo

Ah ah ah

No dey carry me play

Mind is dirty

Be like I go rinse my soul with Fela Kuti

Be like you go rid yourself of all that pussy

Shit is messy

Bad energy don plenty

E don plenty (ewo)

Inside Inna

There I Siddown

Where e for dey if I no dey for am

Hire killer

Change am for am

All man sinner but e take one second to change your ways

Change your face

Tie your lace you can start again

Run your race oh

Your way e no too straight, contour

Contour

No dey carry me play Odo

Ah ah ah

No dey carry me play

And if e heavy for my shoulder mo ti gbé lo sori

And I dey watch you from my corner moya look away

I dey join my heart with wire

I no wan hear story

I no dey like to share my charger but

Inside Inna

There I Siddown

Where e for dey if I no dey for am

Hire killer

Change am for am

All man sinner but e take one second to change your ways

Change your face

Tie your lace you can start again

Run your race oh, whoa, oh

Your way e no too straight, contour

Contour

No dey carry me play Odo

Ah ah ah
