

Hey Father

How many times I go talk am

If I wan fall, I recover
When nobody send, it's cool
Dem be wan dey whine me
But they misunderstood
Who work and pray go dodge ekwensu
Been that way for days

So wetin?
Why you hating?
Celebrating, all my wins
I am motivating, while you wasting time
We no dey on top of the same thing
I am fornicating, God save me
Dem dey find me, dem no go catch me ah, ohh yhh
I no dey beg nobody to love me ah

Hey Father
Shine your light on me
Open my eyes o, so I can see
Ye, hey Father
Shine your light on me
Open my eyes o, so I can see

What do they want from me
What do they need from me
I don see something
Counting all my money
You wan kon dey block my bag
God go punish you
Olohun dey go get issue
Walahi, I go rubbish you
You go need tissue
Zazu go reason you
Zeh ko to zeh ri o ah

So wetin?
Why you hating?
Celebrating, all my wins
I am motivating, why you wasting time
We no dey on top of the same thing
I am fornicating, God save me
Dem dey find me, dem no go catch me ah, ohh yhh
I no dey beg nobody to love me ah

Hey Father
Shine your light on me
Open my eyes o, so I can see
Ye, hey Father
Shine your light on me
Open my eyes o, so I can see
