

# Let Them Know

Joeboy

Hmm...  
Yeah yeah  
Jiggy!  
Uh uuh... uuh uuh...  
It's Young Jonn the Wicked Producer

Baby, mi ma ja nowo  
Anything you want make I do  
Na hin we go do bobo  
Bobo mi je ka shako si won  
Check and we balance ego

You, you, you  
You tell me you love me  
You tell me you need me, yeah  
So baby, let's turn off the lights and  
Give you love wey no get rival  
I know you go finally be dandan

Will you make them know?  
(Say we go dey together, say we go dey forever)  
Let them know  
(Say we go dey together, say we go dey forever)

Will you make them know?  
(Say we go dey together, say we go dey forever)  
Let them know  
(Say we go dey together, say we go dey forever)

From the North to the East  
To the South to the West  
I don find, I don look everywhere  
But nobody be like you

Baby won le to, won le ba wa  
Ko si anybody to le ya wa  
You know say, I love you girl  
You know say, I need you

O ye yereye  
Baby, make you turn off the light make I  
Give you something wey no get rival, yeah

Say we go let them know  
(Say we go dey together, say we go dey forever)  
Let them know  
(Say we go dey together, say we go dey forever)

Say wey go let them know  
(Say we go dey together, say we go dey forever)  
Let them know  
(Say we go dey together, say we go dey forever)

I don't mind to take care of you  
I don't mind to take you debe gan  
'Cos I love you gangan  
Yo, yo, yo

Anywhere you want, baby let me know  
Anywhere you go, I go follow

Yeah, you, you, you  
You tell me you love me  
You tell me you need me, yeah  
So baby, let's turn off the lights and  
Give you love wey no get rival  
I know you go finally be dandan

Will you make them know?  
(Say we go dey together, say we go dey forever)  
Let them know  
(Say we go dey together, say we go dey forever)

Will you make them know?  
(Say we go dey together, say we go dey forever)  
Let them know  
(Say we go dey together, say we go dey forever)
