

Number One

Joeboy

Whatever you dey do make you put jara
And anything they wanna say doesn't really matter
Don't stay far from me
Baby just come closer eh
Imarama you be fine with the whine oshe le le

Number one you're not number two
Number one you're not number two
(You no, you no be)

Number one you're not number two
Number one you're not number two

She be best by far
Number one and she get my back

She be best by far
She be number one and she get my back

She be best by far
She be number one and she get my heart

She be best by far
She be number one and she get my back
Let's go

To say the least
Na you be my wish come true
You no get substitute
Abi you be winch
The way that I'm stuck on you
E be like super glue
Everything I do
Wanna do it all for you
You no know the magnitude
Of wetin I Dey feel
Wetin I Dey feel for you
Oh no
You know that I like it like that
What you doing oya bring it right back
As you get me
Me I get your back too
No go play me like a jangilover
Pretty girl I'm loyal
You're my queen so royal
Oya gimme small whine
Gimme small whine
Killaman killaman
Killaman whine

Number one you're not number two
Number one you're not number two
(You no, you no be)

Number one you're not number two
Number one you're not number two
(You no, you no be)
