Ling ling ling
There's just something missing here

Neela Nilave
Neela Nilave
Ling ling ling
There's just something missing here

Neela Nilave
Neela Nilave
Ling ling ling
There's just something missing here

Neela Nilave
Neela Nilave
Ling ling ling
There's just something missing here

Girlie o
There is something missing here
Wetin you dey do
Omo e no too clear
Your attitude shows that you don't care
But you tell me all the things
Wey me I wan hear
You dey use me play
Now I got another bae now you wannna come back to me
Abeg make you leave I no wan story
I no want story

Walai
My mind
E no make I rest again
Your lies
I died
E no make I rest again

And as I work it out
All my meds e be all am sipping here
If it's not working out
Let me know if it's something missing here baby o
