

# Surviving

Joeboy

Hasta, hasta, hasta

Hasta la luego  
Where else you wan go?  
You go still hear me for radio for radio  
Me I turn on my mikano  
Because NEPA e don go  
She say lavida boy bad o  
Too bad o

So far I'm doing amazing things surviving without you  
I'm really working on changing things make I for fit rest o  
Dunno who send me  
Chasing love for inside this Lagos o  
But these days I dey cover myself with the blood of Jesus o

Baby, why you leave me?  
Why you leave me lonely?  
Baby, why you leave me?  
Why you leave me lonely?  
Baby, why you leave me?  
Why you leave me lonely?

I'm living willy nilly  
I don't believe in it  
Though sometimes I wish I can see your face, but I'm dealing with it  
And I'm living with it o  
I dey my house but e be like kirikiri  
I dey try so hard to run my race  
As you disappear like willy-willy

Baby, why you leave me?  
Why you leave me lonely?  
Baby, why you leave me?  
Why you leave me lonely?  
Baby, why you leave me?  
Why you leave me lonely?

So far I'm doing amazing things surviving without you  
I'm really working on changing things make I for fit rest o  
Dunno who send me  
Chasing love for inside this Lagos o  
These days I dey cover myself with the blood of Jesus o
