Goodbye

Joel Adams

I've been trying to tell you things
But it's harder not to call
Trying to keep it simple babe
Without losing anymore
If it's gotta be this way
How much time is left before
It's over, over

Cause when I'm cold
I never let the feelings go
I never let the feelings show
I never got to say it
And now I've let the walls come close
And all the pain left it grows
The only thing that hurts the most
I never got to say it
I never got to say
Goodbye
Goodbye
I never got to say
Goodbye
Goodbye

Darling does it feel the same
When you're holding someone else
Do you ever hear my name
Do you think of me as well
So do you ever feel my pain?
Are you hiding from yourself?
Are you, are you?

Cause when I'm cold
I never let the feelings go
I never let the feelings show
I never got to say it
And now I've let the walls come close
And all the pain left it grows
The only thing that hurts the most
I never got to say it
I never got to say
Goodbye
Goodbye

I never got to say
Goodbye
Goodbye
Never got to say
Goodbye
Never got to say
Goodbye
I never got to say
Goodbye
Goodbye
