

Wave

Joel Adams

One in a time
I read all the signs
Thought it was easy
Doin' it my way
I found out the hard way
Got thrown in the deep end
Keep on believin'
Keep holdin' on

What do I do? How do I get started?
Where do I go? How do I get out?
I need a thrill burnin' through my veins
To bring me back to life

So come on over
Just ride the wave
It ain't over
We'll find a way
Not gonna waste no time or fancy material things
So come on over
Just ride the wave

Oh, the feelin'
When you find the real thing
No matter the season
Sun is on the rise
You've been lookin' for love in all the wrong places
Your heart is never satisfied
Open your eyes
Keep rollin' on

What do I do? How do I get started?
Where do I go? How do I get out?
I need a thrill burnin' through my veins
To bring me back to life

So come on over
Just ride the wave
It ain't over
We'll find a way
Not gonna waste no time or fancy material things
So come on over
Just ride the wave

Ride it, ride it, ride it, ride it
Ride it, ride it home
Just ride it, ride it, just ride it
Ride it home, just ride it
Just ride the wave, just ride it
You can ride the wave, just ride it

So come on over
Just ride the wave
It ain't over
We'll find a way
We're not gonna waste no time or fancy material things
So come on over

Just ride the wave

Ride it, ride it home

Ride it, ride the wave

Ride it, ride it, ride it, ride it
