

Another Friday Night

Joel Corry

Na na na na na na na na
It's another Friday night

It's another Friday night
And she just can't get enough
She's been waiting all her life
Time to turn the music up
She's going to party with her friends
Let her inhibitions go
She'll keep dancing to the end
No, that girl ain't going home

'Cause she's been locked inside too long
Only makes her want it more
When she hears her favourite song
You can't take her off the floor
And now she's kissing all the girls
And she's kissing all the guys
You know somewhere in the world
It's another Friday night

Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
It's another Friday night
Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
It's another Friday night

Yeah it's another Friday night
And his Uber's on the way
He's not dressing to the nines
'Cause it's not that type of place
Tonight he's looking for some fun
So he's looking through his phone
Even when the night is done
No, that boy ain't going home

'Cause he's been locked inside so long
With that girl he used to see
He ain't doing nothing wrong
They've been broken up for weeks
And now he's kissing all the girls
And he's kissing all the guys
You know somewhere in the world
It's another Friday night

Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
It's another Friday night
Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
It's another Friday night
Friday night

Where the music takes you high
Where the people come alive
Say the word and I'll be there
'Cause you know somewhere

Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
It's another Friday night
Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
It's another Friday night

Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
It's another Friday night
Friday night
