

## Dance Around It (& Caity Baser)

Joel Corry

Everybody's got problems  
I got a way you can solve it, baby  
And it's pretty straight forward  
Keep it movin' till it's sorted, baby  
We all need a little crazy  
To get away from the daily  
To get away from the daily

Oh, the dancefloor's callin' me, callin' me  
All my friends just follow me, follow me  
If you wanna have a good time, say "ay-ay-ay-ay"  
And tell the bad vibes "goodbye"

I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it

I just wanna dance around it

(Okay, say what? Ah)  
I'ma just shut my eyes  
Do a little, oof, to the right, hands held high  
Waitin' all day for the night  
Waitin' all day for the lights, why-y-y  
Why don't you just shut your eyes?  
Tequila on the rocks two times, one for the ride  
Waitin' all day for the night  
Waitin' all, waitin' all day for the night

Oh, the dancefloor's callin' me, callin' me  
All my friends just follow me, follow me  
If you wanna have a good time, say "ay-ay-ay-ay"  
And tell the bad vibes "goodbye"

I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it  
I don't wanna talk about it  
I just wanna dance around it

I just wanna dance around it

I just wanna dance around it

Hahaha, slay
