

HIGHER

Joel Corry

You give me something that I can't explain
On my mind every night and every day
You give me something that I can't explain
(Can't explain, can't explain)

You take me higher
Ooh, ooh-ooh-ooh
You're my desire
Ooh, ooh-ooh-ooh

Oh, you're on my mind (On my mind)
Oh, you're on my mind (On my mind)
Oh, you're on my mind
Oh, you're on my mind

You give me something that I can't explain
On my mind every night and every day
You give me something that I can't explain
(Can't explain, can't explain, can't explain, can't explain)
You give me something that I can't explain
On my mind every night and every day
You give me something that I can't explain
(Can't explain, can't explain, can't explain, can't explain)

You take me higher
Ooh, ooh-ooh-ooh
You're my desire
Ooh, ooh-ooh-ooh

Oh, you're on my mind (On my mind)
Oh, you're on my mind (On my mind)
Oh, you're on my mind
Oh, you're on my mind (Yeah)

You give me something that I can't explain (Ooh)
On my mind every night and every day (Ooh)
You give me something that I can't explain (Ooh)
(Can't explain, can't explain, can't explain, can't explain)
You take me higher
Ooh, ooh-ooh-ooh
You're my desire
Ooh, ooh-ooh-ooh (You're my desire)
