

# I Wish

Joel Corry

I wish, I wish  
I could hear you say my name  
I wish, I wish  
You were here on Christmas day  
I wish, I wish  
You make my wish come true again  
It's you I miss, yeah

But when I look back at us  
I know we almost had it all  
Tell me now, it's the night  
The snow is gonna fall  
'Cause there's no going back  
Still I need you to know that  
Christmas ain't the same anymore, no

I think of you every day, every night  
You said you needed space and you needed time  
And I want you to know what I did wasn't right  
Wish I could change your mind, I wish, I wish

I wish, I wish  
I didn't say goodbye so fast  
I wish, I wish  
This Christmas I could have you back  
I wish, I wish  
I cherished everything we had  
I just want your kiss, ah

But when I look back at us  
I know we almost had it all  
Tell me now, it's the night  
The snow is gonna fall  
'Cause there's no going back  
Still I need you to know that  
Christmas ain't the same anymore, no

I think of you every day, every night  
You said you needed space and you needed time  
And I want you to know what I did wasn't right  
Wish I could change your mind, I wish, I wish

Doo-doo-doo-doo, doo-doo, doo-doo-doo  
Doo-doo-doo-doo-doo-doo, doo-doo, doo-doo-doo  
And I want you to know what I did wasn't right  
Wish I could change your mind (I wish, I wish)

It's not much I'm asking, baby (Not much)  
All I want this year is you, babe, believe me  
If I don't get you under my tree  
Then I don't know how I'm gonna be

I think of you every day, every night  
You said you needed space and you needed time  
And I want you to know what I did wasn't right (It wasn't right, no)  
Wish I could change your mind, I wish, I wish

I think of you every day, every night  
You said you needed space and you needed time (You needed time)  
And I want you to know what I did wasn't right  
Wish I could change your mind, I wish, I wish
