

# I Wish

**Joel Corry**

Doo-doo-doo-doo, doo-doo, doo-doo-doo

I wish, I wish I could hear you say my name  
I wish, I wish we could do it all again  
I wish, I wish I didn't have myself to blame  
It's you I miss, yeah

'Cause when I look back at us, I know we almost had it, oh  
But the time wasn't right, I should've loved you more  
But there's no going back  
Still I need you to know that  
I'm not who I was before, no

I think of you every day, every night  
You said you needed space and you needed time  
And I want you to know what I did wasn't right  
Wish I could change your mind  
I wish, I wish

I wish, I wish I didn't say goodbye so fast  
I wish, I wish I could take the moment back  
I wish, I wish I'd cherished everything we had  
But it's you I miss

'Cause when I look back at us, I know we almost had it, oh  
But the time wasn't right, I should've loved you more  
But there's no going back  
Still I need you to know that  
I'm not who I was before, no

I think of you every day, every night  
You said you needed space and you needed time  
And I want you to know what I did wasn't right  
Wish I could change your mind  
I wish, I wish

Doo-doo-doo-doo, doo-doo, doo-doo-doo  
Doo-doo, doo-doo-doo-doo, doo-doo, doo-doo-doo  
Doo-doo, doo-doo-doo-doo, doo-doo, doo-doo-doo  
Wish I could change your mind  
I wish, I wish

It's not much I'm asking, baby (Not much)  
What I gotta do for you to believe me?  
If a second chance sounds crazy  
Then I don't know how I'm gonna be

I think of you every day, every night  
You said you needed space and you needed time  
And I want you to know what I did wasn't right  
Wish I could change your mind  
I wish, I wish

(Oh, I wish, oh)  
Doo-doo-doo-doo, doo-doo, doo-doo-doo  
Doo-doo, doo-doo-doo-doo, doo-doo, doo-doo-doo  
Doo-doo, doo-doo-doo-doo, doo-doo, doo-doo-doo

Wish I could change your mind  
I wish, I wish

I think of you every day, every night  
You said you needed space and you needed time  
I want you to know what I did wasn't right  
Wish I could change your mind  
I wish, I wish
