

OUT OUT

Joel Corry

Out, out for the night

Why I'm on my own on a Friday night?
My friends are on my phone, they keep blowin' up my line (Hello)
Send me your location, the Uber's outside (Yeah)
Runnin' out of time (Woop)

If we're going out, out for the night
I'ma meet you down on the floor, oh, tell me
So tell me when ya out, out for the night
We can get it started, let's go, oh

Just watch me dance
Just watch me
(Watch me, watch me, watch me)
(Woop, woop)

Why I'm on my own on a Saturday night? (Why?)
Send me your location, the Uber's outside (Where you at?)
Friends all in the bathroom so I cut through the line
Runnin' out of time

If we're going out, out for the night
I'ma meet you down on the floor, oh, tell me
So tell me when ya out, out for the night
We can get it started, let's go, oh

Just watch me dance
Just watch me
(Watch me, watch me, watch me)
(Woop, woop)

Ayy, ayy-ayy, ayy-ayy, ayy, ayy
Ayy, ayy, ayy, ayy-ayy

Tonight we're goin' out, out

Who gon' please this pretty kitty?
Got baddies with me, tanned and tipsy
Pass the concealer, gotta hide the hicky
Ooh, DJ, run it back (Run it back)
Tryna go up, where balloon girl at? (Where she at?)
Double cup love, in the club, pitch black
Bubblegum butt, coming through this ass

Ayy, ayy-ayy, ayy-ayy, ayy, ayy
Ayy, ayy, ayy, ayy-ayy
Tonight we're goin' out, out
Ayy, ayy-ayy, ayy-ayy, ayy, ayy
Ayy, ayy, ayy, ay-ayy
Tonight we're goin' out, out

Hi, I'm Charli, baby (Baby, baby)
Tonight, we're goin' out, out
