

Tonight

Joel Corry

Girl, I, I just died in your arms tonight
Didn't even try to escape
I just died in your arms tonight
I knew I shoulda walked away
Mr Worldwide, jax Jones
Joel Corry, Jason Derulo
History in the making, Dale
(Let me see what you're working with, baby)

I wanna rock, I wanna rock
I wanna rock you all night long
I see them 'tig 'ol biddies in that see-through shirt
And you know what you doin' is wrong
Hey you, girl, with that hiked up skirt
Keep doing what you do, turning me on
Hey you, girl, with that hiked up skirt
Let me see your tha-thong-tha-thonh-thong-thong
I wanna kiss it and try, l-l-lick it and bite it
Slippin' and slidin', leave you sleepin' like Biden (Haha)

Girl, you're out of my league, yeah
You don't even notice

Girl, I, I just died in your arms tonight
I didn't even try to escape (No)
I just died in your arms tonight (Tonight)
I knew I shoulda walked away

I shoulda just walked away
I shoulda just walked away
I shoulda just walked away

Yeah, guess you never know when your time is (Time is)
Wanna spend all mine between your sheets (Wanna spend mine)
'Cause only you can revive me ('Vive me)

You know exactly how I need your body on me, yeah (Body)
Both our bodies are free here (Body)
Girl, you're out of my league, yeah
You don't even notice

Girl, I, I just died in your arms tonight
I didn't even try to escape (No)
I just died in your arms tonight (Tonight)
I knew I shoulda walked away

Da-da, da-da-da-da-da-da (Yeah)
Da-da, da-da-da-da-da-da
Shoulda just walked away
Da-da, da-da-da-da-da-da
Da-da, da-da-da-da-da-da
I shoulda
I shoulda just walked away
