

# YEAH

Joel Corry

Glad you made it  
Baby, the dress code for tonight is naked  
I'm catching feelings  
Let me throw 'em back now  
Just promise you ain't gonna back down, back out

Under pressure  
Under pressure, you're the one  
Now or never  
Like tomorrow never comes

Do you feel what I feel?  
Say yeah  
Get that bag, blow a check  
Don't care  
Oh my God it's going down  
Hold my cup, I'm blacking out  
Do you feel what I feel?  
Say yeah

Pull you closer  
You see the devil sitting on my shoulder  
I need an angel when the night gets colder  
Oh baby, I just wanna hold ya, hold ya

Under pressure  
Under pressure, you're the one  
Now or never  
Like tomorrow never comes

Do you feel what I feel?  
Say yeah  
Get that bag, blow a check  
Don't care  
Oh my God it's going down  
Hold my cup, I'm blacking out  
Do you feel what I feel?  
Say yeah

Do you feel what I feel?  
Say yeah  
Get that bag, blow a check  
Don't care  
Oh my God it's going down  
Hold my cup, I'm blacking out  
Do you feel what I feel?  
Say yeah

I don't wanna jinx what we got  
Ready for a bombshell to drop  
I would trade my heart  
I would trade my heart  
I would trade my heart for your touch

Do you feel what I feel?  
Say yeah  
Get that bag, blow a check

Don't care  
Oh my God it's going down  
Hold my cup, I'm blacking out  
Do you feel what I feel?  
Say yeah

Yeah  
Yeah  
Do you feel what I feel?  
Say yeah
