

# My Devil Was A Cheat

Joel Faviere

I'm black in your lungs.  
I'm the shit thats up on top of your tongue.  
I'm cancerous.  
If I was just a question, bitch you'd never answer this.  
So what about the boy that you've been dancin' with?

Why the fuck would you asnwer him?  
Remember when I was rocky, you were emily  
& there was nothing stoppin you  
from fuckin me just like a felony  
& you were always tellin me  
the devil on your shoulder was a cheat.  
My angel was a freak.
