

# Candy

Joell Ortiz

{"Heatmakerz..."}

[Chorus - Mally Stakz:]

I call her Candy (Candy)  
My honey bun, my sugar pie  
My Candy (Candy)  
She give me everything I want  
I call her Candy (I call her Candy)  
And if it all came crashin down  
I still got Candy (I still got Candy)  
My Candy girl (Candy girl, yeah)

[Joell Ortiz:]

That's right  
Uhh, my sweet lil' some'in some'in  
No matter what, I ain't givin baby up for nuttin  
Cause she was there when Joell was just a motherfuckin  
tryin to rap basketball player, try and hustle onions  
Y'all don't know what we been through, it wasn't simple  
She was bringin them ends through when it was rent due  
I would scoop her from uptown inside that rental  
Drive gentle, niggaz starin cause she a ten too  
Flyest thing on the block, had to bag her up  
She look soft but hard-body, I be crackin up (haha)  
My lil' boo be doin big things  
Shorty got a bunch of nicknames  
But I

[Chorus]

[Joell Ortiz:]

Yup, uhh  
We maneuvered around the ups and downs  
Them times I ain't go to pick her up I was fuckin 'round  
She still put all that money up when they was comin down-  
-town to bail me out when I bailed on her for a couple pounds  
She bought me all my Air Max's and I would run the town  
Spinnin Pun around in my CD player and bubble down  
If it wasn't for shorty-wop y'all wouldn't love my sound  
Candy funded all of my early work on the underground  
Before the red-eye flights and all the limelight  
I lived the high life baby, she had my mind right  
24/7 from A.M. until the twilight  
Baby made sure I was aight

[Chorus]

[Mally Stakz:]

Say you're my Candy girl  
Ooh girl you rock my world  
I know you love me  
Can't nobody take you from me, nah  
Say you're my Candy girl  
Ooh girl you rock my world  
I know you love me  
Can't nobody take you from me, nah nah

[Joell Ortiz:]

It's hard to find a love like this y'all  
We hung out on that sixth floor when I was piss poor  
Tired the elevator broke and it was piss all  
on the staircase so we stepped it up, they was pissed off  
Cause you turn "I hope that" into a cold fact  
They watched them dirty Bo Jack's become a gold Ac'  
I'm married to a new bitch and shorty know that  
But she'll be ready if I go back!

[Chorus]
