

# Monday

Joell Ortiz

Hey, man  
Lemme tell y'all a little somethin' about Monday  
Monday is that day that you lined up on the startin' line  
Like a track star waitin' for that gun to go off  
Waitin' on that pop  
Monday is for the hustlers  
It's for the go-getters  
For those who work the hardest  
If you already know, I ain't gotta tell you  
Shit gets done on a Monday  
You can get yours on any day of the week  
But Monday's the day to shine  
The early bird catches the worm, baby  
The early bird catches the worm
