

All Good

Joeseef

Never thought that youth could pass you by
You thought that everything would be alright
They built a wall around your favourite place
They'll bury you beneath a parking space

Stuck in a place that keeps changing
But still feels the same
Write your name on the pavement
Till nobody is left here but you

Even though nothing's ever easy
I can promise you babe

It's all good
It's all good
It's all good
Even though nothing's ever easy
I can promise you babe

Sometimes the grief is all you have to hold
You got your babies but you're all alone
They let you in 'cause you were beautiful
Then take advantage when you tell them no

Even though nothing's ever easy
I can promise you babe

It's all good
It's all good
It's all good
Even though nothing's ever easy
I can promise you babe

It's all good
It's all good
It's all good
Even though nothing's ever easy
Yeah I promise you babe

Something's got to give until your soul's been sold
Every time you call she just puts you on hold
Sitting in the hotel room with curtains closed
Don't forget your reasons when you're pulling out
From all you know
All you know
All you know

Even though nothing's ever easy
I can promise you babe

It's all good
It's all good
It's all good
Even though nothing's ever easy
I can promise you babe

It's all good

It's all good
I promise you babe
It's all good
Even though nothing's ever easy
Yeah I promise you babe

I promise you babe
