

Does It Make You Feel Good?

Joeseef

I took a glass and I filled It up
I sat back down and I chased the rush
Tried so hard but it's not enough to fill the space
You know that I'll always call your bluff
I wish you'd come back and get your stuff
What could've been it just covers us
It starts to fade

And we've been here many times before, gave it all
Couldn't give you more
And I don't know what the Hell I've been lookin' for
But I'm at your door

'Cause even though you know what I've been doin' ain't right
Does it make you feel good when I try?
Does it make you feel good when I cry? (Does it make you feel good?)

It's looking 'like I'm all out of luck (Out of luck)
I'm actin' like I don't give a fuck (Give a fuck)
And we both know you can't get enough (Get enough)
Of this heart ache, this heart ache

Still we've been here many times before, gave it all
Still I give you more
And I don't know what the Hell I've been lookin' for
Still I'm at your door

'Cause even though you know what I've been doin' ain't right
Does it make you feel good when I try?
Does it make you feel good when I cry? (Does it make you feel good?)

Does it make you feel good, baby?
Does it make you feel good?
Does it make you feel good, baby?
Does it make you feel good?

'Cause even though you know what I've been doin' ain't right
Does it make you feel good when I try?
Does it make you feel good when I cry? (Does it make you feel good?)

'Cause even though you know what I've been doin' ain't right
Does it make you feel good when I try?
Does it make you feel good when I cry? (Does it make you feel good?)
