

DARK AURA

Joey Bada\$\$

Yeah, uh, uh, uh, bitch
Uh, yeah
Turn me up in the headphones, man
Yeah
That's right
You feel that dark aura, nigga?
Yeah
Check it out
Yo

Lifestyles of the rich and famous
Custom fitted shoes, tailored waistband, tuck the stainless
Gotta move swift and dangerous, they gon' have to lift them wages
You ain't talkin' money, you must be talkin' a different language
Independent mindset, we ain't fuckin' with them majors
Can't get back our time spent, gotta treat it like it's sacred
House on a couple acres, ain't no love for the fakers
Three-car garage and the driveway so spacious
Perfect place to park the spaceship, sky view's panoramic
Laidback in the Maybach, I know they can't stand it
Got me thinking 'bout way back 'bout times we couldn't manage
Now we ballin', runnin' plays back, home court advantage
They watch but can't understand it, they Rollie's timing off
I'm clocked in 24/7 but never signin' on
Can't be boxed in, not him, forever shining on
All y'all, I been locked in, I'm in my Goyard
Bag, nigga, I'm that nigga, I thought I told y'all
I'm back, nigga, these rap niggas know they can't
Know they can't, uh
Ayo, look, uh

Please don't push me, I'm too close to the edge
Gotta know the ledge, knowledge is power, that's what my OG said
Get your bread, don't be misled, you know these streets is dead
Gotta stay a few steps ahead, keep the family fed
Life is hard, hold your head, never let them see you sweat
Every loss is a lesson, that's the secret of success
Can't forget to count your blessings, gotta keep your soul in check
I give it all I got until there's nothing left, that's why they gotta show r
espect
Payin' all my dues and debts, living life with no regrets
Never take kindly to threats
I don't even take offense if it ain't directly addressed
They tryna push my buttons, I ain't even pressed
Gotta stay stuntin', know my light can never be suppressed
Spirit got me on every quest
The journey of a thousand miles begins with a single step
Uh, I keep my foot on these nigga' necks
Head up on a swivel, stayin' ready for whatever's next

Yeah, yeah
Ayo
Grrt
