

# DEVASTATED

Joey Bada\$\$

I used to feel so devastated  
At times I thought we'd never make it, yeah  
But now we on our way to greatness  
And all that ever took was patience  
I-I-I-I used to feel so devastated  
At times I thought we'd never make it, yeah  
But now we on our way to greatness  
And all that ever took was patience

Just getting better each day  
Stacking that cheddar, cheese cake  
Looking up to the Lord, we pray  
Trying to be my best each day  
Until I'm laid to rest we lay, yeah  
'Til the time being we lit  
Hoping I don't let it get all in my head  
I don't need money just to say that I'm rich  
Couple little honeys wanna get in my bed  
But they used to run from me when I had nothing  
Now they want to fuck cause they see me stuntin'  
Nigga came up off the hustling  
Living in a life of lux and I'm feeling like the man  
If you ain't in my Chucks, then you wouldn't understand homie  
'Bout these rubber bands on me  
Make her wanna dance for me  
About to leave her man for me  
Standing in the stairs Goddamn  
(She used to front way back, now she just a fan)

I used to feel so devastated  
At times I thought we'd never make it, yeah  
But now we on our way to greatness  
And all that ever took was patience  
I-I-I-I used to feel so devastated  
At times I thought we'd never make it, yeah  
But now we on our way to greatness  
And all that ever took was patience

I put my pain a cadence  
Turn my brain up a wavelength  
Now we're flowing the ceiling  
So just go with the feeling  
Baby soak up the vibe  
Let's roll some dope up, get high  
We gon' blow the smoke in the sky  
Til we can't open our eyes

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Skr, skr

I used to feel so devastated  
At times I thought we'd never make it, yeah  
But now we on our way to greatness  
And all that ever took was patience  
I-I-I-I used to feel so devastated  
At times I thought we'd never make it, yeah

But now we on our way to greatness  
And all that ever took was patience
