

# SUPAFLEE

Joey Bada\$\$

Yeah (What you are witnessing right now)  
It's Brooklyn (Kirk on the beat)  
(Is something that you've never seen before) Uh

I can't lose, put me against whole crews (Right)  
I style on niggas for dolo, pullin' up from the logo  
Hittin' nothin' but the bottom of the net (Swish)  
Know Joe been a pro, what's a rookie to a vet'? (Come on)  
If I had to flex, wouldn't even be a stretch (Work)  
I just raise the bar and increase my rep (Facts)  
Y'all niggas is light weight (Hey), crown on my head (Hey)  
Heavier than a skyscraper'  
Views from the top, higher than the crime rate in my state, it's high stakes  
(Woo)  
They caught me at the wrong time and the right place  
In my case, I tried to play nice (Yeah)  
'Cause what's behind these bars will make you face life  
Step to Swank White, get your line stepped on  
They shot's couldn't penetrate, I'm made of Teflon (Tef')  
Bulletproof, and I ain't had the vest on (Nah)  
Tell me who's left, I ain't even use my best arm, like

Now (I need everybody on the dance floor right now)  
Just can't fuck with me (They cannot fuck with me)  
Now (Are you entertained? They cannot fuck with me)  
Just stand anywhere (Are you not entertained?)  
They cannot fuck with me, oh no

Fine shit, I don't want no disrespect (Come on)  
Hot dog, walk a nigga like a vet (Hey)  
Can't breathe, with a foot up on they neck (Put in work)  
I like big dog talk, baby, show me how you get, like (Put in work, put in work)

It's the don dada, the crocodile wrist rocker (Yeah)  
Double breasted suit wearer, in a new pair of Pradas (C'mon)  
Top shotta, the big dog, rottweiler (Yeah)  
The ten toe business man with the good posture  
The stand up guy, but he ain't no comedian (Nope)  
We gon' see who get the last laugh, when they see me in that (Haha)  
New drop, minus the roof top (Woo)  
The price keep on going up like a hot stock (Cha-ching)  
I'm taking big risks, big Rollie with the rocks  
How them diamonds cut on the wrist, it's a suicide watch (Woo)  
We only watch the games courtside of the box (That's right)  
While all the opps plot as a unified flock (Haha)  
Mad 'cause I got guap and the bag worth a lot (Right)  
Talked to God cause it's lonely on the path to the top (Right)  
Oh, you mad 'cause I'm stylin' on you, wildin' on you (Yeah)  
Kirk on the beat, I get to pounding on you, yeah

Now  
Just can't fuck with me (They cannot fuck with me)  
Now (Are you entertained? They cannot fuck with me)  
Just stand anywhere (Are you not entertained?)  
They cannot fuck with me, oh no

Fine shit, I don't want no disrespect (Come on)  
Hot dog, walk a nigga like a vet (Hey)  
Can't breathe, with a foot up on they neck (Put in)  
I like big dog talk, baby, show me how you get, like (Put in, put in work)

Okay, I stepped in, hoes frontline, pay attention  
I move with intentions (Yeah), slide with protection (Uh-huh)  
Some henchmen, lethal weapon, Danny Glover to the tension  
'Cause catchin' me slippin' is out of the question (Question)  
Not to mention, couple hoes in my section (Right)  
Top models, pop bottles 'cause I'll bless them (Top)  
I just point them out, and they follow my follow my direction (Come here)  
Swallow my erection, then on to the next one (Next)  
Adiós, I do these hoes like I do my foes (Ah)  
Hundred man versus a gorilla, call me Mighty Joe (Ugh)  
These little local niggas talkin' so irrational (Ha)  
They ain't international (Nah), my name rings bells from Brisbane to Glasgow  
I swear I'm (Yeah), not even phased  
Kill you all in my spare time (Ha)  
The fly Spirit, I ain't talkin' 'bout the airline  
The Ruler's back, I came to declare mine, yeah

Now  
Just can't fuck with me (They cannot fuck with me)  
Now (Are you entertained? They cannot fuck with me)  
Just stand anywhere (Are you not entertained?)  
They cannot fuck with me, oh no

Fine shit, I don't want no disrespect (Yeah, come on)  
Hot dog, walk a nigga like a vet (Ayy)  
Can't breathe, with a foot up on they neck (Right)  
I like big dog talk, baby, show me how you get, like (Uh, work it like)
