

# TELL ME

Joey Bada\$\$

Can we do it on the low?  
In my head, in my head  
Too many people in here  
In here

Tell me, why you in love with me?  
Is it money or the fame  
Or the fact that I'm livin' in a lab, but it's luxury?  
Tell me why all of suddenly you wanna come kiss up with me  
Used to pass a nigga by like tumbleweed  
Used to play me by the side 'til I got a little buzz like a bumblebee  
Now you can't get enough of me  
Why you fallin' in love with me?

Can I have a little honesty?  
Can I have a little bit of honesty?  
Can you have a little trust in me?  
Just a little bit of trust in me  
Tell me, are you really in love with the thought of me?  
Love with the thought of me  
Look me in my eyes like I'm on my knees  
Ayy, ayy  
Beggin' please

Tell me why you really in love  
Tell me why you really in love

Uh, must be the swank, money in the bank  
I do what he can't  
On top rank, fresh like Shabba Ranks  
Make these bitches faint  
I'm a star, I'm so fuckin' raw  
They know who I are  
She in awe  
Diamonds got no flaws  
I'm so down than most (Yeah)

Tell me why you really in love  
Tell me why you really in love (I love you)  
Tell me why you really in love

Can we do it on the low?  
In my head, in my head  
Too many people in here  
In here

Uh, baby, just tell me just how you feel  
You livin' the full thrill (Yeah)  
Or givin' it to me real, baby, come on  
Tell me if you just really want bill  
Or really just tryna chill  
Ain't no time to kill, baby, speak up  
Time is money like my .40 millimeter  
Tell me what's the deal, baby, make me a believer  
Even Lord knows I really don't need her  
If you ain't in love, baby girl, me neither

Tell me why you really in love  
Tell me why you really in love (I love you)  
Tell me why you really in love
