

He Said

Joey Djia

He said baby don't leave me alone I have my friends, house and family
.
But you still feel like home to me.
I said baby you're scared and I'm scared too.
Afraid of a future that doesn't involve you.

But I can't stick around anymore.
The longer I do the deeper we fall.
I'm doing this for us both I don't want to fight.

It doesn't mean that I didn't love you.
It doesn't mean what we had wasn't true.
But the time will never come when goodbye sounds right.
When goodbye sounds right.
When goodbye sounds right.
The time will never come when goodbye sounds right.
When goodbye sounds right.
When goodbye sounds right.
The time will never come.

He said baby this can't be for real.
We've always had hard times but nothing will ever change how I feel.
I said baby don't play with my mind.
I'm being the strong one here, so help me put this love behind us.

He said he don't wanna be in my past.
I said as long as I have these memories last.
That I'll appreciate it them forever.

We've never had to do things on our own.
So don't think you're sad all alone.
Even though we're apart we're going through this together.
We're going through this together.
We're going through this together.
Even though we're apart we're going through this together.
Together. Together.
Even though we're apart we're going through this together.

You'll be so happy once it's just a memory, you and me.
You'll be happy soon but the time will never come when goodbye sounds
right.
When goodbye sounds right.
When goodbye sounds right.
The time will never come when goodbye sounds right.
When goodbye sounds right.
When goodbye sounds right.
The time will never come.
