

Temporary Love

Joey Dja

Who do you think I am
It's typical to say but I mean it when I say it that I
I'm not that type of girl, no

You're just lonely and I've been lonely
But I don't need that type of love
You barely know me, you tryna hold me
With that temporary love
You're just lonely and I've been lonely
But I don't need that type of love

Don't hit me after midnight saying I am special
I know you are telling me lies saying I'm the only one
You only want me at night, you hit all the girls
With words that usually hypnotise
But I'm not your, your temporary love

I'm not your temporary

Who do you think you are? (You are)
It's not difficult to tell you this
You're talking shit, you're full of it
You're bullshitting, no...
I'm not that type of girl, no

You're just broken and I've been broken
But I don't need that type of love
You've barely spoken, you must be joking
With that temporary love
You're just broken and I've been broken
But I don't need that type of love

Don't hit me after midnight saying I am special
I know you are telling me lies saying I'm the only one
You only want me at night, you hit all the girls
With words that usually hypnotise
But I'm not your, your temporary love

I'm not your temporary
I'm not yours

Don't act like it's different baby, baby it's all the same
Trying to manipulate me, play me with your games
I need a real man, I need a real man
I need a real man, man, man

I'm not yours

But I'm not your, your temporary love

I'm not your temporary

I'm not your temporary, I'm not, I'm not
I'm not just temporary, I'm not, I'm not
I'm not just temporary, I'm not, I'm not no no no
Not your temporary
